

# Grayson Connor

## Frontend Web Developer

---

### EXPERIENCE

#### Freelance, Austin, TX — Frontend Web Developer

Jan 2021 - Present

- Developed and edited HTML/CSS/JavaScript sites for a multitude of clientele
- Developed and maintained goodbullgolfcarts.com as well as implemented marketing and brand strategies for their company's expansion.
- Successfully completed various challenges on frontendmentor.io

#### Uber (Jump), Austin, TX — Technician II/Site Safety Lead

Oct 2018 - April 2020

- Identified and resolved device issues through analysis of I.O.T. device states and issue development patterns.
- Created documentation for standard maintenance protocol that was used company-wide.
- Ensured safety protocols compliance by providing staff with P.P.E., fire, and biohazard safety equipment, creating protocol documentation, and developing and implementing safety tests.
